Overnight stay at the Grand Central Hotel, Belfast

Hastings Grand Central is more than a hotel. It's an ode to a city. Standing tall in Bedford Street, this impressive jewel fuses glamour and grandeur with a uniquely Belfast spirit. Perfectly placed in Belfast City. Just as Belfast is at the heart of the Grand Central, the Grand Central is at the heart of Belfast. Set in the up-and-coming Linen Quarter, the hotel is a spectacular hub for exploring Titanic Quarter's history or Cathedral Quarter's charming cobbled streets, pubs and eateries. Theatre buffs, shopaholics and historians alike will all be spoiled for choice, with a host of options right on their doorstep. Conveniently located for all transport access, the Grand Central is perfectly placed for every city centre endeavor

An aerial photograph of a coastal golf course. The course is set on a green, hilly landscape that meets a rugged, rocky cliffside on the left. The ocean is a deep blue, extending to the horizon under a clear sky. A winding path or road cuts through the greenery of the golf course. In the distance, a few white buildings are visible on the right side of the frame.
